

Child Safety Staff Code of Conduct

Date: January 2023

Version: 2

All staff, volunteers and board members of Peninsula School of Dance are required to observe child safe principles and expectations for appropriate behaviour towards and in the company of children, as noted below.

PSD is committed to providing high-quality dance classes to enhance the overall development of the child. We provide a safe and positive environment to encourage our students to explore dance with qualified, nurturing teachers.

We believe that dance training encourages young people to develop a positive self-image as they increase awareness of their physical being. Along with improving coordination skills and developing muscular awareness, dance classes give children the freedom to express themselves through movement.

The highest educational standards are expected from all PSD team members. They are lifelong learners who continue to educate themselves through certification programs, teacher-training schools, conferences, and other learning opportunities.

This Code of Conduct identifies positive child safe behaviours that we ask staff, volunteers and contractors to demonstrate. It also identifies behaviours that we consider unacceptable and not permitted at our school.

Not following standards of acceptable and unacceptable behaviour is a breach of this Code of Conduct and may result in disciplinary action. Some behaviours on their own may not be a serious breach of the Code of Conduct but together may indicate a concerning pattern of behaviour that poses a risk to the safety of children. Our disciplinary policy provides further information on processes that will be followed if breaches are identified.

All Peninsula School of Dance staff, volunteers and contractors must always follow these standards of behaviour, including when at PSD studios, attending events or performances, in our online classes and when engaging with Peninsula School of Dance students and their families at any time:

- Fun & Engaging – Our classes and activities are underpinned by this value. For students to derive the most benefit and learn they must enjoy what they are doing! Our junior program is underpinned by the notion that children learn best through play.
- Inclusive – We genuinely believe that dance is for everyone. We will work in partnership with parents and students to ensure that class placement is appropriate and we deliver content in a way that meets the needs of learners.
- Community – We will always look for ways to engage our students and families in local activities that promote dance and our students. PSD is itself a community and place which nurtures strong relationships and connections amongst our student and family base.
- Excellence – Staff are committed to ongoing training and development. Our professional associations with Cecchetti Ballet & the Australian Teacher of Dance ensure that we remain up to date with best practice. We will never stop learning!
- Leadership - Peninsula School of Dance is a platform for young people to step up and take the lead and we strongly believe young people have a powerful capacity to develop leadership skills in a variety of ways.
